"People forget years and remember moments..."

A group of business professionals in formal attire are running through the ocean waves, splashing water. They are smiling and appear to be celebrating or enjoying a moment of freedom. The scene is set on a beach with waves breaking around them. The image is framed by a thin blue border.

INCENTIVE

Un viaggio Incentive è, di solito, una ricompensa da parte dell'azienda per il raggiungimento di determinati e specifici obiettivi/risultati da parte dei suoi dipendenti.

Un viaggio Incentive, oltre all'aspetto puramente ludico, è importante per un'azienda in quanto momento per motivare e incrementare il legame tra i partecipanti, creare nuoveintonie, conoscere meglio i colleghi lontani, fidelizzare i propri clienti, aumentare, proprio perché premio, la produttività e la "brand awareness".

EVENTIVE è al Vostro fianco per l'organizzazione a 360° di ogni aspetto per il Vostro prossimo Incentive, avvalendosi di staff e collaborazioni di assoluto valore.

A long, red conference table with matching red chairs is set up on a sandy beach. In the background, there is a modern building with large windows overlooking the ocean. Palm trees are visible on both sides of the frame. The scene is bright and sunny, suggesting a tropical location. The text "OFF-SITE MEETING" is overlaid in white on a semi-transparent grey background across the middle of the image.

OFF-SITE MEETING

Un off-site Meeting è una riunione che si svolge fuori sede con l'obiettivo di riunire il proprio team per discutere strategie, obiettivi generali, oppure dedicare del tempo su progetti più ampi e determinanti per l'azienda stessa. Essere fuori sede determina un sicuro cambio di prospettiva, evita le consuete interruzioni, permette nuovi spunti di collaborazione, spinge i partecipanti a considerare nuove soluzioni, a cooperare in modo fattivo insieme per risolvere eventuali problemi, presenti e/o all'orizzonte. In ultimo, le attività collaterali all'agenda lavorativa offrono ai partecipanti la possibilità di conoscersi meglio, condensando in poche ore molteplici occasioni di incontro, in un contesto informale e rilassato.
